ACADIA NATIONAL PARK, MAINE

Created by Jenn & Kat

What comes to mind when you hear the State of Maine? Fishing? Lobster? Lighthouses? Early Americana-vibes?

Maine features diverse regions: Aroostook County; Downeast & Acadia; Greater Portland & Casco Bay; The Kennebec Valley; Maine's Lakes & Mountains; Maine's MidCoast & Islands; The Maine Beaches; The Maine Highlands; Bangor, Katahdin & Moosehead Lake. Each region provides something for everyone - film festivals, fishing, historical sites, hiking, boating, and the list goes on.

This year marks the Bicentennial of the State of Maine. Due to unprecedented events occurring, the celebrations were canceled, alternate plans are still being reviewed according to committee who run www.maine200.org. In this issue, we invite you to virtually visit Maine with us. Venture deeper into the state that is home to Acadia National Park. Create plans on visiting this state with help from us.

ROCKS, LAKES, MOOSES ... OH MY

Acadia National Park protects the natural beauty of the highest rocky headlands along the Atlantic coastline of the United States, an abundance of habitats, and a rich cultural heritage. At 3.5 million visits a year, it's one of the top 10 most-visited national parks in the United States. Visitors enjoy 27 miles of historic motor roads, 158 miles of hiking trails, and 45 miles of carriage roads (unpaved roadways).
