ISLANDS OF HAWAI'I

Created by Jenn & Kat

Hawaii - 137 islands spread over 1,500 miles. A state of the United States of America located in the Pacific Ocean. Today we invite you with virtual visit the Hawaii Islands, with the smells of Plumeria and sounds of ocean waves hitting the white beach shores. Sit back and grab your favorite pineapple delicacy.

Within this virtual visit, we have found, researched, and laid out stays at the six most popular islands. Once you have looked over our compilation of options, let us know which stay calls to you. Let us do the work once we get you booked. Our services are always complementary to our clients.

Kaua'i

Kauai, the oldest island, is Hawaii's fourth largest island and is sometimes called the "Garden Island." Centuries of lush green growth have formed tropical rainforests, forking rivers and cascading waterfalls! Some parts of Kauai are only accessible by sea or air. This is your island for a variety of outdoor adventures.
